THE LEAVES

**Giving
Support**

Why Give?

Since 1966, The Leaves has been providing skilled and practical care to those who desire to rely fully on God for healing. Our 50+ year history is due in large part to the generosity of individuals and foundations who've felt impelled to support us. The Leaves serves Christian Scientists from a six-state region and beyond. Gifts to The Leaves help to ensure that this good healing work continues for the present and into future.

Ways to Give

You can support The Leaves in different ways! All of these are welcomed, needed and much appreciated. Visit theleaves.org.

- Join our prayer support team,
- donate to us once or once a month,
- suggest your church donate regularly,
- volunteer,
- engage in estate planning and make The Leaves a beneficiary,
- shop on AmazonSmile, or
